

**CELEBRATE THE POWER OF MUSIC TO BRING PEOPLE TOGETHER
THE THEATER AT OLD NYACK HIGH SCHOOL, NYACK NY
Friday, April 29, 8PM**

Sponsorships and program advertisements are now available for ArtsRock's "Songs of Healing" concert. This moving and joyous event will celebrate the power of music to bring people together and includes a roster of local and nationally known artists — Grammy award-winner Tom Chapin and The Chapin Sisters, Adam Falcon, Kimberly Hawkey and the Harrow Sisters, Julian Wachner and his Choir of Trinity Wall Street, with more artists to be announced soon. **With your support, we can help heal our community from the many losses over the past two years.**

Co-producers, Elliott Forrest and Jeffrey Friedberg have produced five similar sold-out concerts, each attended by over 550 people in Rockland. This event is predicted to generate similar interest and excitement, creating an opportunity to support our community and associate your business or organization with this uplifting concert.

With a program ad, you can be listed prominently in ArtsRock's emails and website, in the concert program and mentioned from the stage during the event. You can also sponsor a first responder to attend the concert or honor a loved one with your donation.
